

The Non-Standard PFC A Triumph of Creativity Over Conformity

Filesize: 7.13 MB

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
(Prof. Buddy Leuschke)

TechScribes, Incorporated. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. This charming and humorous little book relates the adventures of Marshall Trieber, a young scholar from Arkansas, as a misfit in the US Army of post-World War II occupied Japan. After a spectacularly non-standard performance as a clerk in a repair unit, Marshall was reassigned to Military Intelligence. There, at the age of 19, he became the co-founder and assistant principal of a new school for American dependents. Marshalls new role saw him dealing with unexpected translations, semi-reformed swindlers, teachers juggling multiple wives, and the acquisition of unauthorized supplies, all set against the backdrop of an Eastern society struggling to adopt Western ways. It is a fascinating tale of a forgotten era that still resonates today. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
