Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Marks Mad Phonic Series is a set of graded readers helping children learn to read. The series starts from your child's first words and continues to reading fluency. This is Level 3 Book 2. This book is all about a special birthday! This is NOT just a story! This is part of a series of books to help young children to read. This book is level 3 book 2. Each book in the series contains 3 stories. Each story follows the same story line, but each is of different level. So your child can read through the series again and again, each time choosing a harder level. The first level of each book also has audio (go to the last page of the book to find a special link to download the .mp3 audio file) Let your child listen to a native English speaker read the book as they read along. Each book also contains 3 worksheets that you can print out (go to the last page of the book to find special links to download .pdf files that easily print) these worksheets will practice the skills in the story books and will help your child become a first class reader! With Marks Mad Phonics every child can become a fluent and independent reader! This item ships from La Vergne, TN. Paperback.
