One midnight crash into a hallway wall sent him on an investigation into the strange science of sleep. Taking readers from military battlefields to childrens bedrooms, Dreamland shows that sleep isnt as simple as it seems. Why did the results of one sleep study change the bookmakers odds for certain Monday Night Football games Do women sleep differently than men And if you happen to kill someone while you are sleepwalking, does that count as murder This book is a tour of the often odd, sometimes disturbing, and always fascinating things that go on in the peculiar world of sleep.
