

The Memory Collectors

By Ronald L Schultz

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wished to be a fly on the wall? Well, this a story about a planet that sent memory collectors throughout its reachable universe to do just that. In a sense this short story long on thought gives you a chance to be a fly privy to an imagined story that could possibly be real. In any case, it is a story for a person with a lot of imagination along with a deep desire to reflect on the subtle and obvious messages derived from more than a casual reading. However, this story could also be read just for entertainment to get away from the troubles of this planet, but be prepared to find yourself enmeshed in the troubles of planet Nornilbmar. Hopefully, your return to this planet will put you in a better place than when you left. I think very likely that that is the wish of any author who shares a story with the world. At any rate I hope you have a good time while you are in a different world than...
