Reviews for **Champion**: - I found myself gripped by the suspense of the final few chapters. At times I had to pinch myself to ask how he was still in the game. - It made me laugh out loud on the train like a -freak! - I could feel the tension and excitement as if I were there. - An inspiration to any golfers who doubt their ability and need some positivity. - A cracking read, a real page turner. - Brilliant read. Can t believe his photographic memory. - Made me cry a little. - The book is funny but you also feel the tension and are willing him on to win. - Thank God it s funny because apart from the words ball and club I didn t understand a word of the golf-speak! - A great read, peppered throughout with lashings of ticklish humour.
