So many are into drugs and alcohol, at an early age, and are on the road to destruction. There are so many negative influences, which they blindly fall into. Most of these young people are unaware of the consequences of the choices they are making. Eva Fry is fully aware of the consequences of their choices. Each week she sees the result, in kids locked up at Juvenile Hall, in San Diego who are destroying their future and potential. She has presented her program Be a Winner in Life for eight years to over 10, 000 troubled youth and understands why they are locked up and what they must do to get their lives back on track. This book talks about good and evil and making the right choices and the consequences of bad choices. She talks about plain and simple God given truths, which result in happy and successful lives.
