## SPRACHEN LERNEN - SPRACHEN LEHREN LANGUAGE LEARNING - LANGUAGE TEACHING

DOWNLOAD

Hardback. Book Condition: New. Not Signed; Die Aus- und Weiterbildung europaeischer Sprachenlehrkraefte gewinnt zunehmend an Bedeutung. Um den Anforderungen eines zeitgemaessen Sprachenunterrichts gerecht werden zu koennen, muss die Qualifizierung so gestaltet werden, dass sie angehenden und erfahrenen Lehrkraeften als Modell ihres eigenen Unterrichts dienen kann. Dies ist nur zu erreichen, wenn das Bewusstsein fuer Sprachenvielfalt und Multikulturalitaet geweckt und Lehrenden Konzepte an die Hand gegeben werden, mit denen sie sprachensensible und autonome Lehr- und Lernformen realisieren koennen. Im Rahmen der 3. Internationalen Langscape-Tagung wurden Forschungsergebnisse und -desiderate aus bildungs- und gesellschaftspolitischer, unterrichtspraktischer und diskurstheoretischer Perspektive offen gelegt und durch examples of good practice illustriert. Foreign language teacher education across Europe is generating ever greater interest, In order to achieve the goals connected with the pedagogy of multiliteracies, teaching and teacher training has to be structured in a way that provides future teachers as well as experienced professionals with designs for their own classroom activities. This can only be achieved by offering life-long education programs that will raine awareness of language diversity and multiculturalism in Europe by providing and testing instruments to be used for reflection, external and self-evaluation and by providing teachers with a toolkit enabling them to test innovative and independent teaching and learning methods. In the course of the 3rd international Langscape conference research results and desiderata on educational, socio-political, practical/experiential and discourse theory perspectives were explored and illustrated by examples of good practice. book.
