Now I didnt believe a broken-down old unicorn could make wishes come true . . . not for a minute. But what if it could? Mags has a lot to wish for: a nice house with a mama who isnt tired out from work; a normal little sister; a brother who doesnt mooch for food; and, once in a while, shed like some new clothes for school. When her sister Hannie finds a stuffed unicorn, Mags's wishes start to come true. She knows the unicorn cant really be magic, but she wont let anything ruin her newfound luck even if it means telling her own sister to believe something that cant possibly be true.
