Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Bare Bones Book of Screenwriting is one of the most authoritative, popular and useful books on screenwriting, written by a USC Cinema-Television alumni with several sold, optioned, produced and award winning screenplays. Using a let s-get-down-to-brass-tacks approach it focuses on the essentials of screenwriting: creative, technical and business principles. For teens, college students and beginners of all ages, this easy to understand filmmaking resource provides screenplay tools to help with feature film writing, short screenplays and TV scripts: script formatting, screenplay outlines, contest and competitions, writing the synopsis, treatments, story development, the hero s journey, three act structure, book adaptations, character, dialogue, structure, plot, mechanics, comedy writing, selling a screenplay, screenwriting agents and managers, working with producers, directors and more. Referred to in the industry as the bootcamp for screenwriters this is one tool any aspiring screenwriter needs in their toolbelt. An all in one guide to writing screenplays that sell for beginners and intermediate writers. Film school is expensive, and won t give you real world experience. The lessons will teach you the...
