Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. I am going fishing, Randy. Do you want to go along? With pleasure, Jack, answered Randy Thompson, a bright, manly youth of fourteen. Are you going on foot or in your boat? I think we might as well take the boat, returned Jack Bartlett, a boy who was but a few months older than Randy. Have you your lines handy? No, but I can get them in less than ten minutes. All right. Meet me at the dock in quarter of an hour. I was thinking of going up the river to Landy s Hole. That s a good spot, isn t it? I think so. Last season I was up there and caught fourteen good-sized fish. They tell me you are one of the best fishermen in Riverport, Randy, went on Jack Bartlett, admiringly. What is the secret of your success? I don t know unless it is patience, answered Randy, with a broad smile. To catch fish you must be patient. Now when I caught my mess of fourteen two other boys were up to the Hole. But just because the fish did not bite right away they moved away, further up the river. But by doing that they got only about half as many as myself.
