

Tuskegee Red Tail Fighter Pilot: Calvin J. Spann

Filesize: 2.89 MB

Reviews

The ideal pdf i at any time go through. It is really basic but unexpected situations from the fifty percent of your pdf. Its been designed in an extremely easy way and is particularly only after i finished reading this pdf through which really changed me, alter the way i really believe.

(Prof. Kendrick Stracke)

TUSKEGEE RED TAIL FIGHTER PILOT: CALVIN J. SPANN

iUniverse, United States, 2009. Paperback. Book Condition: New. New.. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Calvin J. Spann shares memories of his full, exciting life, including stories of his service in World War II. Due to the rigid pattern of racial segregation prevailing in the United States at that time, 966 black military aviators were trained at an isolated training complex near Tuskegee, Alabama. Training at this facility became known as the Tuskegee Experiment. Many black fighter pilots trained in Tuskegee fought in the aerial war over North Africa, Sicily, and Europe during World War II. Many people at the time believed that blacks were not capable of operating sophisticated airplane machinery-until these black airmen came home with the Red Star of Yugoslavia, Legions of Merit, and 150 Distinguished Flying Crosses. They were called Schwarze Vogelmenschen (black birdmen) by the Germans and Black Red Tail Angels by the white American bomber crews because of the identifying red paint on their tail assemblies and their reputation for successfully providing fighter escort to bombing missions over strategic targets in Europe. Dr. Calvin J. Spann received his aviator training in the Tuskegee Experiment, serving his country from 1943 to 1946, and helped pave the way for desegregation of the United States armed forces.
