[...]native, a prodigal son of the county, whose return would have been a matter for gladness. But alas, my plant was not a caucalis at all, but a torilis, a squat weed of the cornfields, which by its superficial resemblance to its rare cousin had grossly imposed upon my ignorance. It is when he has acquired some familiarity with the ordinary British plants that a flower-lover, thus educated late in life, finds his thoughts turning to the vanished opportunities of the past. I used to speculate regretfully on what I had missed in my early wanderings in wild places; as in the Isle of Skye, where I picked up the eagle s feather, but overlooked the mountain flower; or on Ben[.].
