But, try as she might, she can't shake the feeling that something is missing. Returning to her hometown to get her life in order, Ree is struck by a bolt of lightning - a blue-eyed, strong-jawed, enigmatic cowboy. She calls him Marlboro Man, and though he's a million miles away from anything she's ever known before, their attraction is undeniable. But with her family coming apart at the seams, her ex-boyfriend still on the scene, and a new career waiting for her in the city, their courtship is far from simple. As life on the ranch beckons (complete with cows, horses, prairie fires and lots of manure), is she really ready to trade in her high heels for Wranglers? Heartwarming, funny and passionate, Pioneer Woman is a story of romance against the odds, and of how love can find you in the most unexpected places.
