

## Telementation: Cosmic Feeling & the Law of Attraction (3rd Revised edition)

By Jeffrey Grupp

Progressive Press. Paperback. Book Condition: new. BRAND NEW, Telementation: Cosmic Feeling & the Law of Attraction (3rd Revised edition), Jeffrey Grupp, Telementation is an ancient meditative art form, the true nature of our deep inner self, and the most productive way to carry out the law of attraction, Christian mysticism, or Zen Buddhism. It is virtually unknown to modern people, but has been recognised by shamans, Zen Buddhists, mystics, and philosophers as the ultimate power in the universe, which is possessed by everyone. This is a short instruction manual on how to carry out the law of attraction with great ease and productivity, by directing one's inner feelings in a specific way. Many students attempting this become frustrated due to their great efforts and poor results. In "Telementation", this is remedied by focusing on feelings rather than beliefs, and the law of attraction is then achieved with Zen-like ease and dramatic success. Telementation consequently creates a revolution in one's life that ends nearly all personal problems, as it brings a person back to their innate, inalienable greatness and poetical inner peace. "Telementation" is also particularly productive for those who want a simple guidebook on how to carry out Buddhist meditation...
