Lady Anne Blackburn is on a journey. . . a journey to relearn how to trust and love again after being traumatized by the betrayal of her own family. Though Lady Anne wishes nothing more than to be rid of her odious husband, her family is threatened when someone tries to take their children away. Once again, Anne is thrown into a fight against others and struggles with her own faith. Through the help of her friends, Anne needs to learn how to live without panic, anger or fear in her personal journey to be closer to God. This book, the second in the Dearest Catherine series depicts the journey of healing that many travel after being traumatized. The author wrote Dearest Catherine after a traumatic experience in her life. The path that she walked over the course of several years has been written through her character Anne. Dr. Annette Perkins has been married for over thirty years to her husband, Ron. They have two sons and five grandchildren. She lived near the Mohawk Valley in upstate New York before moving to Michigan, where she currently resides. Annettes books are both riveting and thought provoking. Although the time period is different from ours, the struggles with pain and disillusionment are topics we all relate to. They brought me healing and comfort while going through my own tough times. Her stories remind me that God is good and though we may go through trials and sometimes question Him, He patiently waits for us to come around. I think that these books are bestsellers and I eagerly look forward to the next one! Jean Roys 12-step Recovery Facilitator Bachelor Degree in Christian Counseling This item ships from multiple...
