

The Dramatic Experience

By John L. Styan

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2010.

Paperback. Book Condition: New. David Gentleman (illustrator).

216 x 155 mm. Language: English . Brand New Book ***** Print

on Demand *****.Plays are, of course, meant to be seen, not

read, but many people find it impossible to visit the theatre

regularly and it is for them that Professor Styan intends this

book, originally published in 1965, to promote better

understanding of the dramatist's intentions and fuller enjoyment

of the play. He defines what a play is and discusses such topics

as the development of the theatre - its different stages, kinds of

drama and types of character - the tone and tempo in which the

play is written, the roles of actor and audience and the structure

and interplay of plot and subplot. Charts of theatrical history, a

glossary and reading lists, as well as drawings and diagrams by

David Gentleman, provide further help for the reader.
