

Holography Marketplace - 8th Text Edition

By Franz H. Ross

Ross Books. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 11.0in. x 8.5in. x 0.7in. **REVIEWS:** The first edition of this annual directory covers artistic holography, with future plans to include other aspects of this fast-developing technology. The non-technical introductory text describes holographic processes and a glossary defines terms. A well-organized international directory, arranged in four sections, includes vendors by type, procedures, sellers, holography in education and equipment. Each section provides a chart with vendors and categories followed by an alphabetical list of companies by country, with addresses, telephone numbers, and category codes. The chart on education quickly identifies museums and workshops. **RECOMMENDED . . .** as the most current and comprehensive directory of holography. - Library Journal This work is packed with a wide variety of information about the holography industry. The cover and several insert pages illustrate different types of holograms covered in the text. Librarians will find the topical chapters, which explain and illustrate most areas in holography, very worthwhile. Chapter 10 provides conventional MarketPlace information, such as copyright holder, manufacturer, chain of distribution, distributor, wholesaler, and retailer. It also covers the year in review. Chapters 11 through 13 deal with holography business, business by category, and individuals in...
