Among these temples there is one which far surpasses all the rest, whose grandeur of architectural details no human tongue is able to describe; for within its precincts, surrounded by a lofty wall, there is room enough for a town of five hundred families. - Hernan Cortes Friends and comrades! On that side [south] are toil, hunger, nakedness, the drenching storm, desertion, and death; on this side ease and pleasure. There lies Peru with its riches; here, Panama and its poverty. Choose, each man, what best becomes a brave Castilian. For my part, I go to the south. - Francisco Pizarro During the Age of Exploration, some of the most famous and infamous individuals were Spain s best known conquistadors. Naturally, as the best known conquistador, Hernan Cortes (1485-1547) is also the most controversial. Like Christopher Columbus before him, Cortes was lionized for his successes for centuries without questioning his tactics or motives, while indigenous views of the man have been overwhelmingly negative for the consequences his conquests had on the Aztecs and other natives in the region. Just about the only thing everyone agrees upon is that Cortes had a profound impact on the history of North America. Of course, the lionization and demonization of Cortes often take place without fully analyzing the man himself, especially because there are almost no contemporaneous sources that explain what his thinking and motivation was. If anything, Cortes seemed...
