Brand New Book ***** Print on Demand *****.Poetry is the journey to discover ourselves. And from the ancient days it is a sensible medium to express one s inner emotions, feelings and realization. The book Smidha is a book of self realization and the Journey towards our inner self. It s a book of divine love. It s a blessing of my Master that grew flowers around me and makes my life more colorful. Sometimes this very rare experience of love comes in life but most of us can t understand it and so it passes without leaving any sign of it, in our life and heart. It s a great luck of mine that I could not only experience but also showered with love and could have collected some droplets from there. These poems are the small drops of divine love. Really It s very difficult to explain love. I used all worldly words and symbols to explain this great feeling but they have their own deep meanings.
