Is it our teachers? Have they the proper education and training for keeping abreast with the times? Is it because so many of them are trained for primary work and the unsuccessful are shifted to the intermediate grades? Is it because they are not up to date in their methods of teaching the common branches? Is it because the intermediate teachers do not understand the psychology of the period of adolescence? Do they believe the general laws of psychology do not apply to the deaf and assume the deaf can not be brought up to the best standards? Do women teachers ever understand boy psychology? Is it due to the pupil? Do most of them reach their mental level in the intermediate grades? For those who did not have the privilege of hearing Dr. Goddard at Columbus, I wish to reproduce one of his...
