A MONTESSORI MOTHER (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Montessori Mother On my return recently from a somewhat prolonged stay in Rome, I observed that my family and circle of friends were in a very different state of mind from that usually found by the home-coming traveler. I was not depressed by the usual conscientious effort to appear interested in what I had seen; not once did I encounter the wavering eye and flagging attention which are such invariable accompaniments to anecdotes of European travel, nor the usual elated rebound into topics of local interest after a tribute to the miles I had traveled, in some such generalizing phrase of finality as, Well, I suppose you enjoyed Europe as much as ever. If I had ever suffered from the enforced repression within my own soul of my various European experiences I was more than indemnified by the reception which awaited this last return to my native land. For I found myself set upon and required to give an account of what I had seen, not only by my family and friends, but by callers, by acquaintances in the streets, by friends of acquaintances, by letters from people I knew, and many from those whose names were unfamiliar.
