

Lambert Prime Number Formula: A Summary, and How to Produce and Determine Titanic Primes Using It

By Carl L Lambert

Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This work is the result of over 60 years of Carl L. Lambert s hobby of studying and playing with prime numbers. The Lambert Prime Number Formula has not yet been peerreviewed, nor has its production of titanic numbers, but the reader is free to create titanic numbers with it and submit all to a review body of his/her choosing. There are substantial prizes being offered in the many thousands of dollars for being first in several categories. Hopefully this work will help those who decline to limit their titanic prime discoveries to only the Mersenne primes. Carl L. Lambert holds an A.A. degree from the University of the State of New York (Excelsior College), Albany, NY, and a B.S. degree from Massachusetts College of Liberal Arts, North Adams, MA, in computer science, Summa Cum Laude. He has many other credits from the University of Massachusetts, Amherst, MA, in mathematics, electrical engineering, and physics, in addition to credits in chemistry from MCLA. He holds two U.S. patents and several dozen copyrights for other works. He lives...
