Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

CLEAR AND SIMPLE AS THE TRUTH: WRITING CLASSIC PROSE

Princeton University Press, United States, 2011. Paperback. Book Condition: New. 2nd Revised edition. 213 x 137 mm. Language: English . Brand New Book. For more than a decade, Clear and Simple as the Truth has guided readers to consider style not as an elegant accessory of effective prose but as its very heart. In classic style, the motive is truth, the purpose is presentation, the reader and writer are intellectual equals, and the occasion is informal. This general style of presentation is at home everywhere, from business memos to personal letters and from magazine articles to student essays. Everyone talks about style, but no one explains it. Attending to rules of grammar, sense, and sentence structure will no more lead to effective prose than knowing the mechanics of a golf swing will lead to a hole-in-one. Furthermore, ten-step programs to better writing exacerbate the problem by failing to recognize, as Thomas and Turner point out, that there are many styles with different standards. The book is divided into four parts. The first, Principles of Classic Style, defines the style and contrasts it with a number of others. The Museum is a guided tour through examples of writing, both exquisite and execrable. The Studio, new to this edition, presents a series of structured exercises. Finally,...
