Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Territorial Acquisitions of the United States The story of the territorial acquisitions of the United States is a very wonderful story. The patriotic citizen of today points with pride to the men and events that helped to give independence to our nation. His heart thrills at the mention of Concord and Yorktown. He feels profoundly grateful to the heroes of the time of the American Revolution, regardless of whether they be soldiers or statesmen, and justly so for we owe to them a debt of gratitude that can never be repaid. To tell something of this great movement, to sketch briefly the inside history of the various land cessions is the purpose of this little volume. The original basis of this work was a series of papers prepared by the author in a course in Territorial Expansion of the United States, taken at Oklahoma University in 1911 under Professor J. S. Buchanan, Head of the Department of History and Dean...
