## Future In-Formation: Choosing a Generative Organizational Life

By Ron Carucci, Josh Epperson

Outskirts Press, United States, 2008. Paperback. Book Condition: New. 231 x 190 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As the first decade of the 21st century inches toward a close, the most urgent and persistent questions facing organizations appear to be a more acute version of those that trouble organizations in the final decade of the last century. They all come down to this: How do we maximize human endeavor? Grappling with epidemic talent defection and escalating turnover costs, the inability to develop leaders fast enough, straining to eek out greater performance with fewer resources, building cultures that welcome diverse views to maximize innovation, struggling to be hospitable to ever diversifying demographics, generational values conflicts.and all in the center spotlight in a global stage, enterprise leaders are desperate for answers. Perhaps it s time to change the questions. Organizations have gorged on a revolving door of fads to contend with these perplexing challenges and are desperately hunting for the silver bullet that unlocks the mystery of how to let loose the power and passion of human potential. With a future hurling at us at great speed and with impressive force and uncertainty, perhaps it s...
