Highways (5th Revised edition)

By David Hughes, Coleman A. O'Flaherty

ICE Publishing. Paperback. Book Condition: new. BRAND NEW, Highways (5th Revised edition), David Hughes, Coleman A. O'Flaherty, Highways is a comprehensive textbook on all aspects of road engineering and the new edition will cover the latest developments in the field, building on the fourth edition which is still viewed as the leading title in highway engineering, despite now being over ten years old. Originally published 1974, this book is the leading authority on the subject. Highways, 5th edition covers road location and plans, roadwork materials, surface and subsurface moisture control, pavement design and construction, thickness design of bituminous and concrete pavements, and road maintenance and rehabilitation.

Reviews

This is the finest publication we have read through right up until now. Better than never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

-- **Dr. Gabriella Hayes**

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
