This is apparent from their very name; for in the Scythian language exiles are called Parthi. During the time of the Assyrians and Medes, they were the most obscure of all the people of the east. Subsequently, too, when the empire of the east was transferred from the Medes to the Persians, they were but as a herd without a name, and fell under the power of the stronger. At last they became subject to the Macedonians, when they conquered the east; so that it must seem wonderful to every one, that they should have reached such a height of good fortune as to rule over those nations under whose sway they had been merely slaves. Being assailed by the Romans, also, in three wars,...
