J S Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Temani: Odd Angel Out II is the continuing story of the angel Temani, his buddy-up Kebra, and a group of characters chief among which is a man called Preacher, a mortal that Temani and Kebra have sworn a life oath to protect; an oath that can only be broken by a physical death, Preacher s physical death that is. The story itself centers around prophetic events that have taken place, are taking place and may be getting ready to take place in the world today. Again I must emphasize this is primarily a work of fiction; however, I assure you that I have endeavored to fully meet the expectations of the prophet Habakkuk when he wrote; Write the vision, and make it plain upon the tables, that he may run that readeth it. and Saint Jude, whom it is believed to be the half-brother to our Lord, when he wrote: And others save with fear. So if you, or someone you know, a friend perhaps, does not believe we are where we are prophetically speaking in the world today, this book was written for you.
